

would deprive America of the fruits of our labors and the investments that we made in these young people through our public education system.

I call upon the House and the Senate to immediately move to pass the DREAM Act and help make these young people proper Americans.

#### TSA MUST EXPLORE OTHER SCREENING ALTERNATIVES

(Mr. TIM MURPHY of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TIM MURPHY of Pennsylvania. Mr. Speaker, our country continues fighting a deadly and determined terrorist enemy. Agencies such as Homeland Security and the TSA work hard to keep us safe and protect us. Still, American citizens are concerned with the newly implemented security measures that are both revealing and personal.

Concerned passengers and even TSA workers feel violated, confused, and uncomfortable. No one is sure what to expect. The American public rightfully wants answers from questions like what is the training, accountability, and selection process for the TSA? Two, what can we learn from other countries' security measures? Three, can we prevent body scan photos from public release? Four, how do we identify who is actually a risk? And isn't there another, more accurate way to do this, rather than treating everyone as a suspect?

People do not have confidence in the Federal Government's ability to protect their privacy, and TSA must explore other screening alternatives because national security and the liberty it aims to protect both matter.

#### TAX CUT FOR 98 PERCENT OF TAXPAYERS

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Mr. Speaker, I rise today for fairness, for equality, and to simply stand up for what is right. I support a tax cut for our Nation's working families and middle income community. In my district, that includes 98 percent of taxpayers, over 342,000 individuals. What I do not support, and what our Nation simply cannot afford, is a tax cut for millionaires and billionaires.

In fact, Republicans are holding hostage the extension of unemployment benefits at the expense of tax cuts. Six thousand eight hundred individuals in my district make over \$250,000 a year. Conversely, 6,400 individuals in my district will lose their unemployment benefits at the end of this month. The choice—6,800 billionaires and millionaires, or 6,400 hardworking families that will not be able to pay their bills, put food on their table, or heat their

homes on a cold winter's night. I stand with the middle income and working families of my district.

And what happens to the local economy? If we do not extend unemployment benefits, my district alone could see the loss of tens of millions of dollars in economic benefits, including small business losses each and every month.

Mr. Speaker, the moral and economic choice is clear. I stand with our working families and our middle income community.

#### CELEBRATING THE 100TH ANNIVERSARY OF MOTHER TERESA'S BIRTH

(Mr. FORTENBERRY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FORTENBERRY. Mr. Speaker, on August 26, 2010, the world began the year-long celebration of the centenary of the birth of Mother Teresa, the Blessed Teresa of Calcutta. Mother Teresa's enduring legacy of humility and sacrifice has been heralded across cultures and in many languages throughout the world. And just earlier this year, the United States Postal Service created this stamp in commemoration of Mother Teresa's life's work.

Mother Teresa worked among the poor in conditions that would weaken the hardest. Yet she stood with strength before presidents, kings, and queens. She saved lives and gave countless thousands hope, hope for the leper, hope for the expectant mother who had been abandoned by family and community, hope for the orphaned child who only wanted a helping heart and a home, hope for the indigent poor who sought a meal and belonging.

The United States Congress honored Mother Teresa with a U.S. Congressional Gold Medal in 1997. And as we commemorate the 100th anniversary of her birth, I urge my colleagues to join me in again uplifting Mother Teresa's life's work, especially during this time when the world is yearning for meaning.

Ms. PINGREE of Maine. I yield myself such time as I may consume.

Mr. Speaker, House Resolution 1745 provides a closed rule for consideration of the Senate amendment to H.R. 4853.
